THERE IS NO LIMIT TO WHAT OUR PUPILS CAN ACHIEVE

The Academy will ensure all pupils reach their full potential, with no limit to what they can achieve. We are committed to the highest of standards. We expect outstanding levels of achievement in all areas of academic and personal development and behaviour.

Nottingham Academy promotes high-quality learning as an obligation for all our pupils. Our new and refurbished buildings create exciting learning environments that stimulate and enrich pupils' learning.

Individual pupils will develop a sense of personal responsibility so that they can make a full contribution to their learning and to the community. The Academy will raise aspirations and actively challenge low expectations. We strive to ensure all our pupils are in the best possible position to move on to a successful life beyond the Academy, whether it is in education, training or employment.

ABOUT THE NOTTINGHAM ACADEMY

Nottingham Academy is a large organisation with high quality, new and refurbished buildings and a capacity for 3780 pupils. It is one of a small number of 3-19 schools in the country, with its own nursery, primary, secondary and sixth form provision.

To meet the bespoke needs of each of our sites we have adopted a federated leadership approach. This allows leaders greater autonomy to improve the provision and outcomes on their site, whilst maintaining and cultivating the culture, values and ethos of Nottingham Academy.

NOTTINGHAM ACADEMY CAMPUSES

Nottingham Academy is a very large organisation with capacity for 3780 pupils. It is one of a small number of all-through 3-19 schools in the country with its own Nursery, Primary, Secondary and Sixth Form provision.

Nottingham Academy is comprised of 3 campuses. Greenwood Campus includes our Primary Campus and serves the Sneinton and Bakersfield areas and Ransom Road Campus serves the Mapperley and St Anns areas. Nottingham Academy also admits pupils from across Nottingham where places and pupil proximity allows.

Greenwood Campus

Greenwood Campus Site 1 on Greenwood Road provides provision for pupils from Nursery through to Year 3 and Year 9 to Sixth Form.

Greenwood Campus Site 2 has a Primary building for Years 4 to Year 6 and a Secondary building for Year 7 and Year 8.

Ransom Road Campus

The Ransom Road Campus on Ransom Drive provides provision for Year 7 through to Year 11, with a dedicated Year 7 and 8 base on site.

Although operating across these three sites, the dedicated team of Academy staff, Primary phase, Secondary phase and those working in the Sixth Form Centre, work closely together to ensure Nottingham Academy pupils thrive both academically and pastorally.

NOTTINGHAM ACADEMY

ACHIEVING THE VISION

Education on a smaller scale

Nottingham Academy is a large organisation, with a wealth of specialist support staff in all areas. This means we can provide outstanding bespoke support for each individual pupil.

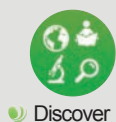

The move from a smaller primary school to a larger organisation can be daunting for pupils. We recognise that pupils and parents want to feel safe and secure and we achieve this by setting up 'bases', or 'schools within a school'.

OUR VISION

We are an aspirational and inclusive Academy committed to our Respect Values. Through an inspirational curriculum we will facilitate great learning, exceptional progress and the development of character. We will improve life chances by ensuring all pupils achieve their potential and are ready for the next stage in their learning, training or employment.

KEY STAGE 3

On entry, Year 7 and 8 pupils are located in their own area of the Academy at our Ransom Road Campus and on their own site (Site 2) of the Greenwood Campus.

MFL

We have developed a bespoke, project based Key Stage 3 Curriculum designed to support accelerated progress through the transition to secondary school. Pupils study English, mathematics and modern foreign languages as well as the new cross-curricular subject areas of discover, create and perform. The new subject areas provide pupils with the opportunity to explore subjects in a deeper more coherent way. Our innovative KS3 curriculum is driven by a focus on the development of literacy and oracy skills and promotes an ethos of ambition, challenge, academic rigour and achievement. In mixed ability teaching groups, the curriculum will provide opportunities for KS3 pupils to develop a range of learning characteristics.

Learning characteristics

- An intrinsic desire to learn
- Articulate, independent problem solvers
- Active makers of meaning
- Creative thinkers
- Decision makers
- Collaborative innovators
- Risk takers to develop learning
- Resolvers of conflict
- Good communicators
- Self-managers

An additional Key Stage 3 Curriculum document is available on our website www.nottinghamacademy.org.

KEY STAGE 4

As part of our continued commitment to improve educational outcomes for all pupils at Nottingham Academy we have extended Key Stage 4 to three years. This provides extra lesson time to better prepare our pupils for the additional content, skills and demands of the new KS4 curriculum and GCSE examinations. The extra time will also ensure pupils develop a greater depth of understanding, improve subject-specific skills and enhance examination preparation.

At KS4, pupils are able to select some of the courses they wish to pursue. Teaching staff support pupils and their families in making GCSE choices or 'options'. They will continue with key subjects from earlier years but will also be able to choose new/optional courses, typically including GCSEs and high quality vocational subjects.

NOTTINGHAM ACADEMY SIXTH FORM CENTRE

KEY
STAGE
5

We recognise that older students have different needs and we have an established and enhanced Post-16 provision at our Greenwood Campus.

Our Sixth Form Centre offers students aged 16-19 a range of academic and vocational courses with excellent tutorial support and careers guidance available. Students leave Nottingham Academy Sixth Form fully prepared for university, training or future employment.

The Sixth Form Centre at the Nottingham Academy is at an exciting new stage of development.

Our brand new sixth form centre reopened on our Greenwood Campus in September 2016, with modern facilities for group or individual study.

For full details on Nottingham Academy Sixth Form please see the Sixth Form Prospectus on our website www.nottinghamacademy.org

PASTORAL SUPPORT

.....

At Nottingham Academy we ensure that each individual pupil is supported and we have developed an efficient and caring system of pastoral care. We aim to support students academically, personally and emotionally. Our pastoral system is structured in such a way to enable us to offer targeted support effectively and in a timely manner.

Each year group is divided up into tutor groups. Each of these groups is in the charge of a form tutor, who plays a major role in the academic progress and social welfare of each child in the group. The form tutor has extensive knowledge of each pupil in the group and parents are

asked to make contact with him or her in the first instance if any problems or questions arise involving their child. Form tutors are led by Heads of Year, whose responsibility is to co-ordinate and support the work of form tutors and to oversee the academic and social progress of the year as a whole.

We have a large team of support staff. Directors of Achievement and Learning Mentors work with the Heads of Year to provide exceptional levels of support for pupils from Key Stage 3 and through GCSE and A level years, to ensure examination success.

SAFEGUARDING

.....

Nottingham Academy and the GAT (Greenwood Academies Trust) take their responsibilities to safeguard the welfare of children, young people and adults very seriously and all staff, no matter what their role, are committed to the policies and procedures to ensure all individuals are kept safe, free from harm and have their needs and welfare promoted at all times. This includes the welfare of colleagues and those who have any role to play in the life of the Academy.

The full Safeguarding Policy is available on our website and from the Academy office.

LEARNING SUPPORT

Here at Nottingham Academy, we promote an inclusive educational environment; the Academy has well-staffed and well equipped Learning Support Departments. Their role is to support pupils who are experiencing learning difficulties and to help extend the most able pupils to ensure they reach their full potential. We also have Learning Mentors employed throughout the Academy. The support offered may take place in the child's lessons or may be on a withdrawal basis. For pupils who speak English as an additional language we have specialist staff who coordinate the work of these pupils in all years of the Academy.

The transition from primary to secondary education can be a difficult time; therefore we develop plans to ensure our pupils are well prepared for this move. We work closely with our feeder primary schools to ensure we have a thorough understanding of the individual needs of each of our pupils on entry and for some pupils we offer a bespoke programme to help them have a smooth transition.

Once at the Academy, we provide a range of strategies including:

- support through the classroom or through withdrawal
- pastoral care through both the year team and our SEND department
- a curriculum catering for each child's needs
- tailored reading and literacy intervention

Please see our website for full details of the SEND provision at Nottingham Academy.

BEHAVIOUR FOR LEARNING

At Nottingham Academy our expectations for student conduct are clear and our standards exceedingly high. A full code of conduct can be found on our website, please take time to discuss this with your child and familiarise yourself with this document. We support our young people to conduct themselves in a positive manner: to be respectful of themselves, each other and their environment. We demand that the behaviour demonstrated in lessons enhances the learning experience for all and that our pupils contribute fully to the life of the Academy.

**RESPECT
YOURSELF**

We demonstrate honesty and integrity in all aspects of our lives. We take pride in being responsible, aspirational and ambitious. We make a positive contribution to our own learning, our Academy and our community.

**RESPECT
EACH OTHER**

We treat others as we would expect to be treated ourselves. We are always polite, kind, thoughtful and caring. We communicate in a positive way; in person and in the digital world. We work with others to enhance learning and make a positive contribution to our Academy and our community.

**RESPECT
OUR ENVIRONMENT
& COMMUNITY**

We ensure Nottingham Academy is a safe, welcoming and inspirational place to work and learn. We value our learning environment and are committed to collaborating with local partners to enhance our community.

ATTENDANCE AND PUNCTUALITY

At Nottingham Academy we expect our pupils to attend the Academy ready to learn, on time, every day. This obligation ensures pupils have the greatest opportunity to achieve and to go on to future success. We reward pupils who achieve 100% attendance, and our attendance team work hard to support those who are not meeting this standard.

Recognising positive behaviours and contributions

At Nottingham Academy we recognise and celebrate the hard work and achievements of our students. We reward effort, contribution, progress and achievement, consideration for others, good manners, community spirit and those students that go the extra mile to be exceptional ambassadors for the Academy. Celebration assemblies are held regularly in each year group, where rewards are given to selected pupils. These rewards can range from shopping vouchers to theme park days out.

Addressing poor behaviour

At Nottingham Academy we work diligently to help students behave well. We intervene quickly when things go wrong. When behaviour for learning is below the level we expect, our dedicated teaching staff intervene and are effectively supported by expert pastoral teams and experienced senior leaders. To resolve issues, we involve parents and carers at the earliest opportunity and are committed to working in partnership.

Poor behaviour and defiance will not be tolerated and the Academy uses a range of support measures and sanctions to prevent this happening including but not limited to exiting pupils from class, detentions, isolations and when necessary exclusions.

The Nottingham Academy behaviour policy can be found on our website
www.nottinghamacademy.org

WORKING WITH OTHERS

.....

The Nottingham Academy is determined to build strong and lasting relationships with other organisations.

This includes:

- Working closely with our local partner schools to share resources and expertise, as well as enhancing transition arrangements.
- Making our facilities, especially sporting facilities, available to local community groups at little or no cost.
- Establishing links with local universities to ensure our pupils understand the opportunities further study can offer.
- Working with local employers to offer our pupils the chance to undertake a meaningful work experience placement and, for some, improved access to apprenticeships.
- Supporting the local community by building links with local groups and community organisations.

A particular strength of this Academy is the link with Experian as its business supporter.

The Academy hopes to develop the current links through Experian's employee volunteers and senior staff. The Academy is also committed to working with other organisations, some through links with Experian, to realise its vision. For example, Experian's links with Open Industry, Young Enterprise, Business in the Community and other bodies provide opportunities for the Academy to become involved in a range of work related enterprises.

The Academy also works with Experian and other organisations to provide innovative activities and training within the Academy to support pupils in developing their leadership, team building, public speaking, problem solving, dispute resolution, interview technique, work shadowing, chairmanship and business acumen skills. This will enable these young leaders to play pivotal roles in the development of the strong ethos of learning.

NOTTINGHAM ACADEMY ADVISORY COUNCIL

.....

Each Academy within the Greenwood Academies Trust (GAT) has its own Advisory Council (AAC) that works closely with each Principal. Each AAC is a small group and has staff, parent and local community representation. It is not, however, the same as a traditional governing body as it has no legal responsibilities. These responsibilities are held by the GAT Board.

Each AAC meets formally at least once termly and AAC members are encouraged to play an active part in the day to day life of the Academy.

This Council has three key roles in terms of the development and success of the Nottingham Academy:

1. To advise and act as a critical friend to the Principal of the Academy and to advise the Trust Board about local issues they need to consider that affect the Academy.
2. To represent the interests of the Academy community in the running of the Academy and to represent the Academy in its community.
3. To provide support to the Principal in undertaking appropriate day to day procedures that are essential to the life of the Academy, such as disciplinary and complaints procedures.
4. The Council can be contacted via the Clerk to the Council on adming@nottinghamacademy.org or on 0115 748 3380.
