Dear Year 6 Parent/Carer,

Re: Year 6-7 Visitor Opportunities

By the end of October 2024, you will have made the exciting decision about where you would like to send your child for the next step in their education from September 2025.

I am writing to invite you and your child to our **Year 6 into Year 7 Open Evening** at The Greenwood Campus, Nottingham Academy, Greenwood Road on **Tuesday 24 September from 4:00pm-7:00pm**. The evening will consist of refreshments on arrival, a presentation from key staff and tours of the campus. There will be an information booklet to take away and opportunities for questions. Please bring along your child's **Golden Invitation** accompanying this letter, which can then be placed in our **Golden Ticket box** and one lucky family will **win a new tablet!** On the same evening, we are running our Sixth Form Open Evening at our Bridge Campus where you are also welcome to look around at the Sixth Form provision.

We are also running **Open Morning Tours** for you and your child which are an opportunity for you to come and see our current Year 7 students in action at The Bridge Campus on Sneinton Boulevard. These will be by appointment only and will run for approximately 30 minutes up until Half-Term Friday 18 October 2024. Please call Nottingham Academy on 0115 7483380 during school hours (8:30am-3:30pm) or email Mr. P Belinfante, our Assistant Principal pbelinfante@nottinghamacademy.org to book an appointment.

Our unique setting of having a campus (The Bridge) just for Year 7 with Sixth Form role models, allows pupils to transition smoothly from Primary to Secondary education, build confidence and thrive. They will be equipped with the knowledge, skills and opportunities to develop their characters as a whole and be fully prepared for Year 8, GCSEs and beyond.

I really hope you can join us at our Open Evening on Tuesday 24 September and please do not hesitate to book an appointment for an Open Morning Tour, where we will be pleased to show you around and you can see first-hand the impact of a positive learning environment.

Yours faithfully

Mrs J Elbaz
