Highlights of the week

Year 7: The highlight of the week was seeing all the Year 7 students do their first food practical in Food Tech with Mrs Chattaway! Students were amazing, they listened and followed the recipe instructions to make some delicious Apple Turnovers! Huge well done to the Food team and our Year 7 students who cooked!

Year 8: Arthur N has been chosen to represent the Academy, at the Makers Market on Saturday 10th May, here at school, and will be selling his personalised hand drawn Pokemon cards.

Year 9: It has been wonderful to see our Year 9 students engage with the new Food Technology curriculum! A massive thank you to Ms Chatterway for sharing her positive experiences of her lessons with us!

Year 10: 10 of our Year 10 students competed in the Nottingham City Schools Championship and we are pleased to say two of our students have qualified for the County Athletics team. Amazing and well done!

Year 11: Year 11 students have started voting for this year's Leavers' Awards and it has been a lot of fun seeing all the nominations coming in. It's lovely to focus on their positives and celebrate each other as we head into the final stretch of the year.

Sixth Form: Nottingham Trent University joined us on Thursday 8 May to deliver a session on 'Results Day & Clearing'. This will help prepare our students for results day on Thursday 14th August 2025 and what they need to do on the day when they are considering their exciting next steps.

Year 7: Amritha R who has attended school every day with a great attitude to learning and is top of the positive points earned for her tutor and house - well done!

Year 8: Manha M for exceptional attitude to learning consistently setting high standards for herself and being a great ambassador to the school.

Year 9: Musfirat for going about her daily school life showing great positivity, effort and respect. We are proud to have such a thoughtful student in our year group! Thank you Musfirat - keep up the good work!

Year 10: Fatoumata S and Vidath S both qualified for the County team. Additionally, Tania DG and Amna H were great representatives of our school at the meet, they noticed that their friend was struggling so they ran the rest of the event round the side of the track encouraging her. Great friendship!
