*Lead learning to transform lives and enable communities;
at Nottingham Academy we will achieve this by providing
an exceptional provision for exceptional learners.*

September 2025

Dear Parent/Carer

Extracurricular Opportunities at Nottingham Academy

As we start our first half-term, we would like to take this moment to highlight the invaluable role that extracurricular activities play in the development of our students.

At Nottingham Academy, we believe in nurturing well-rounded individuals who not only excel academically but also develop essential life skills that will serve them beyond the classroom. Research consistently shows that students who participate in extracurricular activities demonstrate improved social skills, increased self-esteem, and enhanced academic performance.

Extracurricular activities provide a platform for students to explore their passions, develop leadership qualities, and build lasting friendships. These activities go beyond the traditional classroom setting, allowing students to discover talents that may not be fully realised within the confines of a curriculum. Participating in extracurricular activities can have a positive impact on academic achievement as well. Students often find that the skills they develop in these activities, such as time management, discipline, and teamwork, translate into improved performance in the classroom.

We have an exciting diverse range of extracurricular activities which are starting from **Wednesday 17 September 2025**. We encourage you to explore the various options available and discuss them with your child/children. Whether they have a keen interest in sports, a passion for the arts, or a curiosity for science and technology, there is an opportunity for them to thrive outside of regular class hours.

To learn more about our extracurricular programme, please see the timetable attached on the back of this letter. The timetable specifies which clubs are available to which year groups – all they have to do is turn up at the given date, time and location. Please note the Bronze and Silver Duke of Edinburgh Club is only open to Y9 and Y10 students and further information about this will be coming out in the next few weeks.

Note for Year 7 students: Any year 7s wanting to take part in a club at GC1 will need to ask at The Bridge reception for a consent form so we can get written consent to allow them to walk up to the top site unaccompanied by a member of staff.

Thank you for your continued support in creating an enriching educational experience for our students. We look forward to seeing your child/children discover and explore their passions throughout the year.

Yours faithfully

Miss K Conlon
Extracurricular Coordinator
