Dear Parent/ Guardian,

Your son/daughter has joined Nottingham Academy Sixth Form and it is lovely to welcome them to our Sixth Form.

Transitioning from Level 2 to Level 3 learning represents a significant step up, with students encountering the demands of independent study for the first time. While they will be guided by their teachers, tutors, and the Sixth Form team, the support and encouragement from parents remains an essential part of their success.

Arbor App.

This App provides access to your child's timetable, attendance records, and feedback from staff, both positive and negative. If you haven't received instructions on how to access the app, please contact us at admin@nottinghamacademy.org, including your preferred email address.

Sixth Form students are allowed to leave site during their free periods, break and lunch. If they wish to purchase lunch items on site, they need to set up a Parent Pay account which allows you to upload payment and then for your son/daughter to purchase food using a unique pin number. Further information can be found on www.nottinghamacademy.org
